("Client"),

the parties agree to as follows:

### I. Background of Agreement

- 1.01 Aporo is a logistics company with the aim of providing reliable and comprehensive delivery services as needed to clients in the restaurant business.
- 1.02 In order to provide reliable services, Aporo initially requests that potential clients provide quantitative information about current delivery demands.
- 1.03 Client is considering the services of Aporo and understands there will be a trial period prior to Aporo assuming any of Client's delivery needs.

### II. Aporo Services

- 2.01 Aporo will:
  - provide, and offer assistance to install, a printer driver for Client's use,
  - receive Client's food orders from web ordering services, i.e., Seamless, GrubHub, Yelp, etc...,
  - analyze and assess Client's delivery needs for a period of time no longer than 2 weeks,
  - consult with Client and provide, if requested, a price schedule intended to reduce direct and indirect costs associated with Client's current delivery operation.

### III. Addition Terms and/or Conditions to this Agreement:
